Western Sussex Unified Sanitary Sewer District

We're down to the wire! After several years of work, it is now mere weeks before Bridgeville will officially be out of the wastewater operations business. What does that mean for you? You will only receive one more sewer bill (after this one) from the Town of Bridgeville. In August, you will receive your first new quarterly bill from Sussex County. In addition, you will receive an annual assessment fee with your County property tax bill. The attached flyer explains and breakdowns the new rate structure – along with contact information should you have any questions or wish to set up a payment account. The flyer and a presentation from the county are also available to view on our website. While the structure is a little different than you may be used to, here is what your bill comparison may look like:
